Tuition Guarantee

It should be noted that **the obligation is to pay a full year's tuition fee and no reduction or remission will be allowed** in the case of temporary absence, withdrawal or dismissal. We are obligated to provide the parents and

students of Mountain View Academy with the highest quality of education. The staff is hired according to our registered student numbers at the beginning of the school year. The small nature of the school means the mid-year withdrawal of a student's funds could have a substantial impact on the quality of the education for those students remaining, if this guarantee was not honoured.

The registration fee and deposit are non-refundable.

Upon registration there will be a one time, **non-refundable**, \$2,500. Mountain View Academy Society membership fee per family for children registered in kindergarten through grade 12.

3. Supplementary Fee - due August 1

The supplementary fee covers the cost of textbooks, student insurance, agendas, science equipment, library & technology updates.
